## **Features Key:**

**Authentic Role-Play:** A traditional role-playing game where your actions make a direct impact on the story line. Gain the support of your fellows and wield the power of the Elden Ring, the power of mana.

**An Epic Story:** A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. This is a story made for RPG aficionados!

**Player Customizability:** The appearance of your character is infinitely adjustable, as you can adjust the color of the clothes and the accessories. Customize them as you want.

**A Total of 50 Transformations:** In the Lands Between, you can unleash powerful transformations via the Mastery system, letting you change not just the appearance, but your stats as well.

**Possess and Ride the Animals:** Play as one of the animals of the Lands Between, such as a horse, a bear, a wolf, a fox, a crab, a bird, a frog, a wolf, or a spider.

**Lots of Monsters:** Enjoy a time when the monsters in the Lands Between had been unleashed. Meet familiar monsters such as gremlins, snowflakes, and palm trees, and other new denizens as well!

**Construct Large Dungeons:** A large labyrinth of stone that is rambling throughout the Lands Between. As a group, you can utilize the cave-like space with small pinnacles as platforms and let your party solve complicated puzzles and overcome dangerous foes.

**A Variety of Skills:** Let them shine! Master the 50 skills that you have access to.

---

**Fights Battling Demands:** You will be tied to the fate of others if you stay in the battlefield, considering that your mission is to keep the fighting spirit of the party's present and its fighting performance intact. Thus, job requirements include handling these types of missions.

**An Evolving Adventure:** Exquisitely balanced and asymmetrical. Enjoy unexpected results because the story changes depending on where you are and who you are

**Thu, 21 Feb 2012 08:05:00 GMT Tales of the Lanet**

**Tales of the Lamia is a beauty to behold with its beautifully detailed 2.5D world and unblemished art style. And it's visually stunning across the board—even the menus and quest descriptions are gorgeous. If you could put a finger on it, gameplay might be the biggest bright spot for this title. It's the kind of game that could, conceivably, be more impressive in a vacuum. Granted, such is its massive world and depth, it's not quite in that arena. Tales is still more amazing looking than it is playable in my eyes, which I find highly preferable to actually being able to bring the game to life.**

**I don't want to rag on Tales, since that's not what I hope to do. I want to focus on its crowning glory, because that is what sets the title apart from many of its contemporaries. In the land of fierce opposition, Tales of the Lamia sets a record for blistering speed and nimble response, which is**
